

June 2020

Suburban North Alano Board of Trustees Newsletter

WELCOME BACK!!

- We were closed and it's been a long 3 months and we hope you all found meetings that met your needs.
- For your own safety, the safety of others, and in accordance with the Governors Stay Safe orders, to reopen, the Board of Trustees had to issue a plan for Covid 19 mitigation. **Please!!!** Be considerate of others needs and follow the plan, including wearing a mask in your meetings, practice 6-foot social distancing, and disinfect touchpoints when you are finished.
- Board of Trustee elections are coming up. Squad leaders - look for the nomination form in your mailboxes.
- Some squads are running Hybrid meetings (live plus Online). These are possible if you have good reception on your phone or tablet at the Alano.
- At the request of several squads, the board is looking into obtaining Wi-Fi at the Alano to make it easier for squads to run these hybrid meetings.
- Thank You to whomever striped the parking lot!!
- For the time being, we will try to have someone show up to host both the Wednesday Newcomers Meeting and the General Meeting. We are not asking the squads to host the meetings unless they are willing. If you'd like to attend one of those meetings someone should be there. It takes two.
- The cleaning service position will be open starting in September. Duties include cleaning floors, tables, kitchen, and bathrooms. Please contact Arnold G. for more information.
- We have a new ACA meeting on Tuesday mornings. Welcome!
- All squads meeting at the Alano need to be cleaning up after every meeting. There is a list of what needs to be wiped down on the bulletin board and in some rooms. Again, please be considerate of other's needs.
